The petitioner claims to be an association of wirecut bricks manufacturers. The petitioner has approached this court seeking the following reliefs:

> "i) issue a writ of mandamus or any other appropriate writ, order or direction, directing the respondents not to interfere with or obstruct of carrying of mud as per law for the purpose of manufacturing wirecut bricks
>
> ii) issue a writ of mandamus or any other appropriate writ, order of direction, directing the 2nd respondent to consider and pass appropriate orders on Ext.P6 representation."

2. I am of opinion that such general directions cannot be issued, that too, at the instance of an association when none of its members are on record. In the above circumstances, I am not inclined to entertain this writ petition and accordingly the same is dismissed.
